The SOFPM Certification course consists of on-line training in Project Management concepts, terminology and frameworks and is intended for those professionals amongst us looking to hone their skills and translate their experiences into an internationally accredited certification in Project Management. The course is executed on-line through Zoom in 3 two-hour sessions. At the culmination of the program you will be certified and admitted to the Institute of Project Management at the level for which you are eligible.

\$750 USD (includes all sessions, certification and all resources)

DOL Coach is a proud Platinum Educational Partner of the Institute of Project Management
